Freedom of Information Request- Department of Education and Training

The following documentation is requested of the Department of Education and Training under a Freedom of Information application:

1. All materials relating to the 'Safe Schools' program that have been implemented by the Department of Education and Training for every year level within Primary Schools, whether expressly as part of the 'Safe Schools' program or within other areas of the curriculum.
2. All materials relating to the 'Safe Schools' program that have been implemented by the Department of Education and Training for every year level within Secondary Schools, whether expressly as part of the 'Safe Schools' program or within other areas of the curriculum.
3. All instructional material and directives relating to the 'Safe Schools' program that has been provided to teachers across both Primary Schools and Secondary Schools. This instructional material includes material both managed and created by the Department of Education and Training and/or third parties.
4. Any student workbooks that have been created, published, distributed or utilised in relation to the 'Safe Schools' program across both Primary and Secondary Schools.
5. Any internet URL Link or access codes which are provided to teachers and/or students to engage with material relating to the 'Safe Schools' program, whether managed by the Department of Education and Training or by third parties, across both Primary and Secondary Schools.
6. Any evidence, both qualitative and quantitative in nature, which is in the possession of the Department of Education and Training, which demonstrates any correlation (whether positive or negative) between the 'Safe Schools' program and student learning outcomes. This includes evidence obtained in relation to both Primary Schools and Secondary Schools.
